Easy to update
Cheap
Backend for equity profiles
Accessibility requirements
Web safe fonts
Responsive (works on any display)

Users:

- Educators, Admins, Counselors
- Legislators,
- Parents
- Site administrator

Stakeholders for web dev:
ODE, CS for Oregon team

Content (Note: I will provide sketches for each page but here it a rough idea of what you'll be making)

Main Page (model after CSforCA) https://csforca.org/
Front page: set the stage. What is CS? Why Cs for All. What is this all about? Equity first!
What counts as CS?
National initiatives?

Data
I will extract key elements from CMP Dashboard -
https://public.tableau.com/app/profile/ecep/viz/CMP_OR/Access
CS equity profiles loadable from dbase (searchable)

Educators, Administrators, Counselors
For educators (ECS summer session, E-Textiles summer session, link to SOUCS)
For counselors and admin (admin guide, summer PD)
A way to sign up for events: summer PD (ECS, E-Textiles, Admin/Counselor), equity summit that is easy to update as needed

News and Features
CS State-wide Implementation Plan
Teacher stories and quotes
Student stories and quotes
